In June and July 1950 the Pionier Kaserne, Dessau-Rosslau, was heavily occupied, mostly by units of recruits and engineer units. 1. Since the billeting area was only partly occupied on y nugust 1950, it is assumed that the recruits have been assigned to their units and that some ongineer elements were away for training. The report indicates that the elements of the 7th Gds Tank Div from the barracks were still in the "erder-Earkendorf maneuver area on 9 August 1950. 25X1 CLASSIFICATION This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Control intrologors and the Control intrologors are report a guard unit of the komendature was in the former hospital.
